About Us

Established in the year **2000**, our company **Anjali International** is engaged in the sphere exporting and supplying a wide range of **HDPE & PP Ropes, Twines, Fishnets, Yarn, Textile Yarn, Carpet Adhesive, Baler Twines and allied products.** Under the able guidance of our owner, **Mr. Hemant P. Kukade,** we have created a distinctive identity for ourselves in the industry. His business acumen and expertise has helped us to establish the company at the zenith of the industry within a short span of time.

We have created a sound relationship with various vendors across the country, who supply us high quality coir products, adhesives and others. These products are manufactured with high grade raw material and we also test the entire range on various quality parameters to ensure the durability, reliability and other parameters. These products are used in various applications in **Fishing, Shipping, Agricultural, Construction, Transport, Furniture and other industries.**

Due to the excellent quality of our above mentioned range, we have created a large clientele across the globe including **African nations, Middle East and Southeast Asian countries.**
